¹ Volume charge for all water per 100 cubic ft (c.f.)
 1 cubic foot = 7.48 gallons / 100 cubic feet = 748 gallons

² Outside City Limits = 1.5x the rates shown

³ This rate applies to monthly water usage for May through October that exceeds 150 percent of the customer's average monthly usage for November through April. For example, John Doe used an average of 400 c.f. per month from November through April, so 150% of his November through April average usage equals 600 c.f. Therefore, for May through October, his volume charge will be \$4.51 per 100 c.f. for monthly usage up to 600 c.f. and \$6.05 per 100 c.f. for monthly usage over 600 c.f.

³ Applies to all residential irrigation meters.

Moorhead Public Service Rates

This brochure represents rates for electric and water services provided by Moorhead Public Service (MPS) billed on or after January 1, 2021. MPS' electric and water rates are set by the Moorhead Public Service Commission, which is a five-member board of MPS customers with the responsibility of establishing MPS' budget, including electric and water rates, for the upcoming fiscal year.

For questions regarding water and electric rates, contact Moorhead Public Service at 218.477.8000, Option 4, or visit www.mpsutility.com.

City of Moorhead Rates

This brochure also represents rates for services provided by the City of Moorhead billed on or after January 1, 2021. The City of Moorhead's rates are set by the Moorhead City Council during its annual budget process.

For questions regarding wastewater/stormwater rates, garbage, recycling, or other City of Moorhead services, contact the City of Moorhead (see Pages 9 - 10 of this brochure or visit www.cityofmoorhead.com).

Sales Tax and Late Charges

Minnesota sales tax applies to electric charges and commercial and industrial water charges. In accordance with state law, electrical energy is tax-exempt when it is used as the main source of heat in a home during the winter heating season. Customers whose payment is not received by the date shown on the utility bill will be assessed a late payment charge of 1% of the current amount due.
